Our November students of the month!

Our November students of the month were recognized for portraying the character trait of RESPECT. These students have shown their Pulaski Pride by being respectful school wide. These students show respect by treating others and their property as you would like to be treated. Congratulations to our Students of the Month!

As we approach the end of 2019 and embark on 2020 let us take a moment to remember all we are thankful for. We are thankful every day for our wonderful students who show respect and thankfulness daily. Students were also “caught being kind” on World Kindness Day. Pulaski students and their families are the best!
