Assistant Principal

September 3, 2020

Dear Parent/Guardian,

We would like to take this opportunity to introduce ourselves to the new and to welcome back the amazing families of Pulaski! As school adjustment counselors, our role is to work as a team with teachers, administrators, parents and students to ensure that every child is successful. Our primary goal at Pulaski is to support and encourage your child to achieve their personal best. It is our belief that when school personnel and families work together we will achieve success!

As we enter this school year, we would like to take this time to acknowledge that the transition back to school can be filled with mixed emotions both for the parent and child. COVID-19 challenged both students and staff in the spring of 2020 emotionally as well as academically. We are in the process of creating a safe and equitable learning environment, both in-person and virtually. Our focus will be to ensure that every child feels safe, connected and supported.

Our goal is to have frequent contact with students and to let them know that we are adults in the building that are available to them to help make their education successful. We may be meeting with your child in a small group and/or individually over the course of the school year. We are also a resource to families and frequently distribute information via our website [Counseling with Cazi and Crew](#).

Please feel free to contact us Monday – Friday, 8:00 am – 3:00 pm if you have any questions or concerns about your child. Our contact information is listed below.

Sincerely,

Tracie Joseph, MSW, LICSW
School Adjustment Counselor
(508) 997-4511 ext. 54510

Kristen Cantwell, MSW, LICSW
School Adjustment Counselor
