

Pulaski School – Dropping and Picking up Options

OPTION #1

A quick option for getting your child safely to school is to utilize the **Pulaski Park Parking Lot**. Simply park at the lot off of **Jordan St.**, walk **through Pulaski Park** and along the back of the school (follow the sidewalk). This is a **quick 5 minute walk** that will alleviate the need to utilize Braley Road.

OPTION #2

Another quick option for getting your child safely to school is to utilize the **30 minute parking** in the neighborhood just across the street from the School. Most of the streets, eg: Briarwood, Blaze Rd, Laurelwood, etc, have 30 minute parking between 6am-10am. So simply park your car, walk your child across the street and back into your car in no time! Exit out of Brairwood Dr if you are heading to 140.
